A Message From Yuvish Singh

Please join me in my Birdies for the Children golf challenge. For every birdie made, I promise to donate \$20 dollars, and for eagles I'll contribute \$50.

I challenge you to match my contributions, through The Birdies for the Children challenge in support of UNICEF. Please visit my web site at www.birdiesforthechildren.com to learn more about how to get involved.

I believe that together we can make a difference in the lives of children around the world. So many children still go to bed hungry, and many more don't have access to education, health care or protection. My biggest dream of all is to use my golf to help children who are less fortunate so that they too can reach their greatest potential.

Yuvish
